

# DIRECTOR OF NATIONAL INTELLIGENCE

---

The Director of National Intelligence serves as the head of the intelligence community, overseeing and directing the implementation of the National Intelligence Program and acting as the principal advisor to the President, the National Security Council, and the Homeland Security Council for intelligence matters related to the national security. The Office of the DNI's goal is to effectively integrate foreign, military and domestic intelligence in defense of the homeland and of United States interests abroad.

---

## AGENDAS

### DON'T PISS OFF RUSSIA

This fiasco couldn't come at a worse time for you. You have several high-priority, extremely classified operations coming to a head in Russia right now.\* Years of careful effort could all be blown away if the Russian government becomes agitated and starts paying too much attention. So whatever else happens, you don't want to make the Kremlin unhappy.

\*Feel free to make up details of these operations, though obviously you don't want to share any classified information unless you really have to.
