

Half King Tanacharison

Background

You are the 27 year old voice of the Iroquois Confederacy in the Ohio country. When you were a child, you watched French soldiers kill your father and eat his body. You have hated all Frenchmen ever since for this act of murder and cannibalism.

Last year, you aided young George Washington on his diplomatic journey to the French. Now you have come to Fort Necessity to force the Delaware chiefs to rejoin the Iroquois Confederation. They wish to have their autonomy, but you need their warriors for the Confederation. What will come first - peace for the Iroquois... or personal justice?

Dramatis Personae

Col. George Washington is the leader of the British troops. He is a good man, and was adopted into your tribe (where he is known as **Conotocarious** "*The Destroyer of Villages*"). He treats the native tribes with respect. Will he support you in your attempts to sway the Delaware? If it comes to war with the Delaware, then will he still support you?

"French Margaret" Montour is a half-Iroquois half-French translator and guide that aids Washington. You recently found out that she is sister of **Joseph de Jumonville** on the French side. This also makes her half-sister to **Captain Louis de Villiers**, commander of the French forces in the region. Surely, she would have made this plain previously if she were not conspiring against Washington. She must be a spy for the French. Don't trust her.

Shingas the Terrible is the war leader for the Delaware tribe. The Delaware are still neutral regarding the British and the French, but Shingas hates the British. More importantly, you need to convince him to rejoin the Iroquois Confederation, or force him back in.

Ignatius Jones, a British deserter who married the Delaware woman **Raspberry Girl Mehowimi**.

Seneca men: **Husk False Face Gajisashoo**. **Ghost Talker Djisgâdâ'taha**. **White Beaver Daitdagwût**. **Thunderer Hino**. **Big Talker Gowonogowa**. **Pudding Dry Odjiskwâthe**.
Seneca women: **Awl-Breaker Tääwônyâs**. **Keeps-Them-Awake Sagoyêwathâ**. **Sunshine Odankot**.

Christopher Gist, frontiersman and friend of Daniel Boone.
