

## *Blood*

*Beneath your cool exterior, you are cruel and bloodthirsty. You do not care what happens (though you would like to live to cause more bloodshed) so long as it ends in bloodshed, murder and violence.*

## *Necklace*

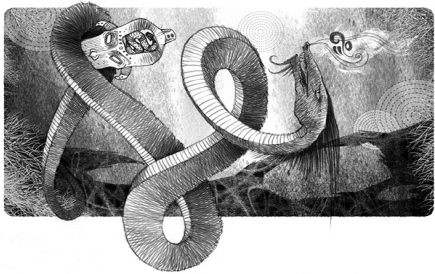

*You wish to rule this land yourself, either by casting Castor out or using him as your puppet.*

## *Key*

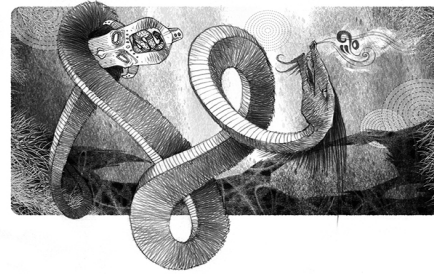

*Although you tell everyone it is a political marriage, you really do love Castor. You jealously guard him and wish to keep this dirty peasant girl Thalia away from him.*
